## ***Bagdad Adult arrested for Sexual Conduct with a Minor***

\*\*\*

On June 24, 2014, 19-year-old Fabio Cietto Dos Santo, from Bagdad, was arrested for charges including 3 counts of Sexual Conduct with a Minor. He was booked at the Camp Verde Detention Center and is being held without bond.

On the morning of June 24, 2014, deputies assigned to the Bagdad area were notified by an adult who had discovered Dos Santo engaged in sexual conduct with a male under the age of 15. The incident occurred at a home in Bagdad earlier this month. The reporting party expressed immediate concern for the victim and hoped to prevent the suspect from doing this to other children.

Deputies located the victim and learned that Dos Santo had been involved in a least 2 previous sexual acts with him earlier this year. The victim admitted being intimidated and afraid of Dos Santo during each contact. Dos Santo also threatened the victim demanding he never disclose these incidents.

Dos Santo was immediately located and during an interview, admitted the sexual conduct with the victim. If anyone has additional information regarding this suspect, please contact the Sheriff's Office or Yavapai Silent Witness at 1800-932-3232. Refer to case no. 14-022377.
