"Liking" the page on Facebook will permit you to receive updates directly to your personal Facebook account. During major incidents or significant news events involving YCSO, the posts may provide near real-time information not available anywhere else with such immediacy. Please note: The page will never substitute for emergency alert notifications from YCSO via the Code Red system.

Using a skillful blending of magic, music and puppetry to enforce the vital safety messages make this program truly unique. The Facebook page will provide highlights from selected school shows featuring our Law Enforcement Educations Deputies and kid favorite, Deputy Do-Right. Special safety messages and event announcements will also be posted. Deputy Do-Right reminds everyone, "You Win or Lose by the Way you Choose."
